Our recycling efforts!

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. We have some new helpers and we thought it was time for a reminder about what to do with the garbage after each event

- All recycling needs to be emptied after each coffee hour or other event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink.
- Please place the green bin outside the back door at the end of coffee hour or any other event. No green bins are to be left in the kitchen after each event

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
