Geo Thermal Project

The engineering report for our Geo Thermal Project is in progress and we are looking ahead to have 100% approval from the diocese in September to move forward with the installation shortly thereafter. In the meantime, prior to getting diocesan approval and in order to get guarantees on the bank loan necessary to complete the project, we must raise or have pledged by the parish a significant level of the funding in place.

Hence we are asking you to prayerfully consider making a pledge to this campaign in order that we can ensure its success. This pledge can be in the form a one-time gift or it may be over a five-year commitment. There are green pledge forms available at the office or you may pick one up after church on Sunday. Likewise, there are forms available on our [web site](#)

The goal we hope to achieve in gifts in pledges is approx. \$175,000. Presently we have raised and have on hand \$65,000. Hence we have **\$110,000** to go.

Thank you in advance for your consideration. If you have further questions, please speak to one of the wardens.

Special Guest Musicians This Sunday

This Sunday, June 18 (Father's Day) we welcome back the fantastic violinist Leslie Ashworth and pianist Herb Williams. Leslie and Herb will lead us in a wide repertoire (gospel, classical, and inspirational favourites) that will be integrated into the flow of the morning service.

Many of you will remember Leslie from her delightful performances at our Carols by Candlelight and Easter Services. She is a young, gifted performer working towards a Bachelor of Music from the prestigious Royal Conservatory of Music in Toronto and brings an infectious smile to every performance. Herb is a multi-talented octogenarian who has no plans of slowing down. A diverse career in sales, marketing and the creator of the popular "SuperDogs" series, kept him busy. After retirement at 82, he continues to explore his love of music and the piano.

"INCARNATION HAS TALENT": NEW THIS SUMMER!

We have a strong group of musicians associated with Church of the Incarnation, and this summer we welcome a new series called the "Incarnation Has Talent" Summer Music Series. After each of our July and August Sunday services, there will be a 15-20-minute free concert to be enjoyed while sipping on your coffee. (The inspiration for the series was Leila Steven's fantastic concert that followed our morning service a few weeks ago.)

The concerts will begin at approximately 11 AM on each Sunday morning. Come and celebrate a summer of great music!

Milk Bag Collection

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! **New procedures**

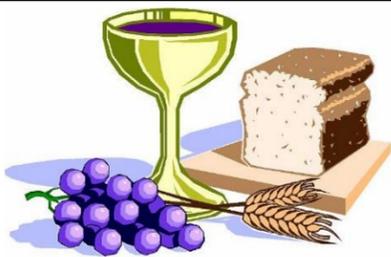

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- **Start a new SMALL green bin for each service or event. Before leaving, tie off the bag and move the SMALL green bin waste to the shed and deposit into the LARGE green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.**
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.

Changes to Order of Service or Bulletin News - Any changes need to be sent to the office by Tuesday, noon. office@incarnationchurch.ca

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
