

This Sunday, November 26

Leading up to World AIDS Day on December 1st, we welcome special guest Wendy Belcher who will speak to us about The Red Scarf Project, an initiative designed to bring Canadians together in an effort to spread awareness, and stop the stigma, surrounding HIV. Scarves are knitted or crocheted by talented community members and donated back to the community.

Awake Prepare Witness

“Education is the most powerful weapon which you can use to change the world.”

-Nelson Mandela

This Advent season we will reflect on this quote and the place of education in empowering young people both locally and globally.

a) Education is the second priority area of the [Truth and Reconciliation Commission's Calls to Action](#), released in June 2015. In the report, the TRC calls on Canada to provide culturally based education for First Nations children, and to educate all Canadians about Aboriginal peoples to prepare them for the important work of reconciliation. What is our role and how can we support our First Nations’ neighbours?

b) Obiageli (Oby) and Ofor Aligwekwe, members of the Inca community, are the founders of an NGO in Nigeria that assists and supports young people as they pursue a thorough and complete education. Oby and Ofor will share their stories and raise awareness so we can make informed decisions about how we might also support these young students.

There were unsold purses and scarves from the Christmas Market.

The R4R are going to fill them with items such as socks, gloves, toiletries, snacks, sanitary items, or fast food vouchers and then distribute to the homeless and given to women's shelters. Some items may also be given to group members or youth in similar situations as needed.

Do you have any purses or small toiletry items you can donate?

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! New procedures

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- Start a new **SMALL** green bin for each service or event. Before leaving, tie off the bag and move the **SMALL** green bin waste to the shed and deposit into the **LARGE** green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.

Changes to Order of Service or Bulletin News - Any changes need to be sent to the office by Tuesday, noon. office@incarnationchurch.ca

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
