Town hall Meeting- and Parish Council

Before the start of our next Parish Council meeting on January 21st, we'll be holding a Town hall Meeting to provide an update on the Geo-thermal project. If you don't think you can attend Vestry on February 4, this will be a good opportunity to stay informed. This is an important topic and we would like to have as many members of our community in attendance as possible. Please make a point of attending either on January 21st or at our vestry on February 4th.

Vestry Meeting, Sunday, February 4 after the 10:00 worship. Another important date in our calendar. On March 3rd the Diocese of Niagara will be electing a new Bishop and one agenda item at vestry will be to hear and learn about the candidates who are standing for election. Come and help our delegates discern who might be called to this office!

A reminder to those responsible, your reports are due to the office Thursday, January 25 at noon.

Why should I attend? We invite all parishioners to attend and learn more about some important decisions facing Incarnation, hear updates from committee members, to review our financial position and to elect our new churchwardens.

CALENDAR!**

Week of Prayer for Christian Unity

Every year between January 18-25 is the Week of Prayer for Christian Unity. Christians around the world are invited to pray for the unity of all Christians, to reflect on scripture together, to participate in jointly-organized ecumenical services, and to share fellowship.

The theme for the 2018 Week of Prayer for Christian Unity comes to us from the Caribbean region. The ecumenical team chose the song of Moses and Miriam (Ex 15:1-21) – a song of triumph over oppression – as the motif of this year's Week of Prayer for Christian Unity.

Support the Banning of Nuclear Weapons

This past year the world has become threatened by a nuclear weapons dispute between the United States of America and the Republic of North Korea. However, as long as nuclear weapons exist a major destruction of life on the planet is a real possibility because of deliberate use, accidental use miscalculated use, or use of these weapons by terrorists through cyber hacking or illegal possession. The Anglican Church of Canada supports Canada signing the 2017 United Nations Treaty on the Prohibition of Nuclear Weapons which Canada has refused to sign. Please consider going to the Government of Canada by [clicking here](#) and then sign e-petition1402 which urges the government of Canada to change its position and become a signatory to the treaty. Milk Bag Collection

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! New procedures

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- Start a new **SMALL** green bin for each service or event. Before leaving, tie off the bag and move the **SMALL** green bin waste to the shed and deposit into the **LARGE** green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.

Changes to Order of Service or Bulletin News - Any changes need to be sent to the office by Tuesday, noon. office@incarnationchurch.ca

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
