This & That

ECO Justice Group: The Problem with Plastics

The eco justice group will continue to look at this problem over the next few weeks and present sustainable solutions to common single- use plastic household items. If you have an idea to share, bring it along with you to church. Together we can be part of the solution, not part of the problem.

Looking to Volunteer?

We have lots of way you can get involved. Positions include: altar prep, greeters, readers, hosts and coffee preparation. **Youth** can gain some volunteer high school hours. Training will be provided. Contact Julia Lockhart if you are interested in helping out. Don't forget to mark changes to the schedule on the master copy in the office.

Milk Bag Collection

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! New procedures

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- Start a new **SMALL** green bin for each service or event. Before leaving, tie off the bag and move the **SMALL** green bin waste to the shed and deposit into the **LARGE** green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
