A message from Claudine

"Thank you Incarnation members for being so kind and supportive to our friend Jessica with generosity and hugs and kind words.

I am really sad to say that Jessica lost her struggle with life and passed away last Saturday.

She was a very special member of R4R and they are having a difficult time with this and also the loss of Shane this week. Shane built the Inca garden beds for us two years ago. If you would like to send a message of condolence to Jessie's family, please let me know.

I ask you to pray this week for the families of Jessie and Shane and for the R4R group."

God of all consolation, in your unending love and mercy, you turn the darkness of death into the dawn of new life. Show compassion to your people in our sorrow. Be our refuge and our strength to lift us from the desolation of grief to the peace and light of your presence. Give courage and faith to those who are bereaved, that they may have strength to meet the days ahead in the comfort of a holy and certain hope, and in the joyful expectation of eternal life with those they love.

*"Perhaps they are not stars, but rather openings in Heaven
where the love of our lost ones pours through and shines down
to let us know they are happy"*

Community Garden

Our raised beds will be tended by residents of the Glen Oaks and Birch Glen coop apartments and the Abbeyview apartment building. The coordinator of the project is Terry Bell - she can be reached at 905 484 2347 to let her know you've dropped something off or are willing to help tend the garden.

Terry has a lot of gardening expertise and is excited to have this opportunity. In addition to plants and seeds, she is looking for donations of newspaper (to mulch the plants) and either a few trellises or material to construct them.

Summer BBQs each Thursday

For 5 years, Incarnation, in conjunction with St Matthew parish and Front Line Outreach, has hosted a weekly BBQ at the apartment complex at 1150 Dorval Dr. Many volunteers are needed to help cook and serve the food and to help supervise activities for the children at the BBQ. If you would like to volunteer, please download and fill out [the attached form](#) then return to Susan Curran or the church office

This & That

ECO Justice Group: The Problem with Plastics

The eco justice group will continue to look at this problem over the next few weeks and present sustainable solutions to common single-use plastic household items. If you have an idea to share, bring it along with you to church. Together we can be part of the solution, not part of the problem.

Milk Bag Collection

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! New procedures

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- Start a new **SMALL** green bin for each service or event. Before leaving, tie off the bag and move the **SMALL** green bin waste to the shed and deposit into the **LARGE** green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.

Receiving Communion

All people at Incarnation are invited to receive the bread and wine at communion. The bread is received from the priest who stands between the servers who offer wine from the common cup; choose whatever side is free. You may choose to receive from an individual wine cups available to the left of the altar. Take one, consume the wine and replace the empty cup in the same spot. We hope this provides an inclusive approach to communion where all are welcome.
