

As we get back to the routine of life, we will acknowledge this 'new beginning' with the Blessing of backpacks and devices that symbolize our vocations of life.

We really hope you can join us for this celebration of time together. We'll be having a BBQ following the 10:00 service this weekend.

The Season of Creation is an annual celebration of prayer and action to protect the environment. We will be observing it at Incarnation starting Sept 9. The following is an excerpt from the invitation to participate by the international leaders of various faiths.

Once every year, from September 1 to October 4, members of the Christian family set aside time to deepen our relationship with the Creator, each other, and all of creation. This is the Season of Creation, which began in 1989 and is now embraced by the wider ecumenical family.

During the Season of Creation, we join together to rejoice in the good gift of creation and reflect on how we care for it. This season offers a precious opportunity to pause in the midst of our day-to-day lives and contemplate the fabric of life into which we are woven.

As the environmental crisis deepens, we Christians are urgently called to witness to our faith by taking bold action to preserve the gift we share. During the Season of Creation, we ask ourselves: Do our actions honor the Lord as Creator? Are there ways to deepen our faith by protecting "the least of these," who are most vulnerable to the consequences of environmental degradation?

We invite you to join us on a journey of faith that challenges and rewards us with fresh perspective and deeper bonds of love. United in our sincere wish to protect creation and all those who share it, we join hands across denominations as sisters and brothers in Christ. During this season, we walk together towards greater stewardship of our place in creation.

Kundalini Yoga – new series starting Sunday, September 16 at 7pm

In a hectic, chaotic world, take time to go inside and experience something new. A series of Kundalini Yoga classes begins on Sunday, September 16th at 7:00 - 8:30 p.m. in the Sanctuary.

[Kundalini Yoga](#) is sometimes referred to as the Yoga of Awareness. We begin with breathing exercises and then a kriya (exercise set), followed by a meditation (silent or voiced) and a savasana (deep rest). The sequences and kriyas open the body and one's own awareness to source energy.

Please bring a yoga mat and a bolster or small cushion to raise the hips off the floor when seated. All exercises can be done by everyone at their own level, and from a chair if needed. Please wear comfortable clothes that allow easy movement. Every Body is welcome.

Starts Sept. 16 and continues through Nov. 29. \$15.00 per class cash at the door. Early Bird Series price is \$165 if paid by Sept. 13, 2018 for the complete series of eleven classes.

Milk Bag Collection

We're still collecting Milk bags for the kids at Ellengale Public School

Our recycling efforts! New procedures

Thank you to all our hard-working volunteers who prepare the coffee and help with the set-up and clean-up of our premises. The daycare has been testing a new green bin routine with much success. We have almost completely eliminated critter attacks!

- Start a new **SMALL** green bin for each service or event. Before leaving, tie off the bag and move the **SMALL** green bin waste to the shed and deposit into the **LARGE** green bin. This will eliminate any critter attacks. No green bins are to be left in the kitchen or out the back door after each event. If you don't know where the key to the shed is located, please ask a Warden or office staff.
- Green bin liners are located in one of the 3 stacked multi-coloured baskets in the kitchen on the counter by the small sink
- All recycling must be emptied after each coffee hour or event. The large blue recycling bins are located at the back door. Please dump all recycling into the larger bins before leaving the church.
