## **GOOD TO KNOW:**

### **Grocery shopping for others – HELP NEEDED**

Knox Retirement Home at 2191 6th Line is in need of help and support. Each week 15 residents are transported by bus to Metro to buy their groceries. Unfortunately, the bus transport has ceased and these people have no way of getting their groceries. They are looking for people who are willing to do the shopping for them. The process would go like this:

- A grocery list for one of these residents would be emailed to you. When you are out shopping for your own supplies, you would add this list to your excursion.
- When shopping for the groceries, please, take proper precautions to physically distance yourself, wash your hands. Pay separately for the resident's groceries and keep the receipt.
- Bring the groceries to Knox Retirement and leave them at the front door, labelled with the name of resident they are for.
- Email a copy of the receipt (scan or picture) to a staff member (to be determined) who will E-transfer you the funds.

We are looking for 6 to 8 shoppers to assist with this important food security issue.

If you are able to help, email Lisa Kohler of Halton Environmental Network at [lisak@haltonenvironment.ca](mailto:lisak@haltonenvironment.ca) or speak to Michael at [rector@incarnationchurch.ca](mailto:rector@incarnationchurch.ca)

### What is the Corona/ Covid-19 Virus Really Teaching us?

“The Corona Virus... is sent to remind us of the important lessons we seem to have forgotten and it is up to us if we will learn them or not.”

### Taking care of vulnerable pets

Hi Inca friends, hope you are well.

I realized that if someone (especially someone who lives alone) goes to the hospital with COVID 19, other people may not want to take in the person's pet, for worry of viruses on the pet's fur. I started a petition asking for a national strategy to care for pets for those who end up in hospital.

Can you please sign and share?

Thanks! CJ Martin
