

UPDATE!

The Corporation has met and has decided to welcome us back for in-person worship on Sunday, September 27 at 10 am

We are committed to providing the best experience whether you attend in person or online.

For those who feel it is too soon, or are part of our vulnerable community,

we will continue to offer our online services via ZOOM.

The link will be found on our website or in the weekly newsletter

For in-person services, there are a few things you need to know: seating is limited in order to adhere to government regulations, therefore registration will be required ahead of each service.

More details will be provided soon.

We thank you for your patience, understanding, and faith in our leaders as we navigate these stormy waters.

PWRDF – supports Beirut

On August 4 a devastating explosion ripped through the heart of Beirut, destroying homes, killing dozens and injuring thousands. The Government of Canada launched a dedicated Matching Fund that will double the contributions of Canadians and support the relief work of the members of Canada's Humanitarian Coalition, including the Canadian Foodgrains Bank.

Through its membership in the Canadian Foodgrains Bank, PWRDF will be participating in the Humanitarian Coalition appeal to support people of Lebanon through this crisis. Donations to PWRDF marked for the Beirut explosion emergency response will be matched.

Donation update:

Our team has delivered 6 full baskets of produce to our local Food banks in Oakville.

Supporting our community

The Incarnation community has continually provided generous financial support for the parish and our activities, and we thank you. Even though the building may be closed, the need to support the community is still very much present. As a result, we are asking for your continued financial support to Incarnation.

For those on pre-approved payment (PAP), thank you for your ongoing support. For those of you who give via the collection plate, you can still support us by donating one of the following ways:

E-transfer • online through Canada Helps • PAP • or by mail

Anglican Family Hub

In response to COVID-19, Children, Youth and Family ministry leaders from the Diocese of Niagara created an online one stop hub for families. Not having that village of extended family, parishioners, teachers, peers, and community supports has impacted families in a way that needed immediate assistance.
