

## It's happening this Sunday!

Please remember, the service starts at 10am both in-person and online. If you are registered and attending the in-person service, please arrive at least 15min early to give us time to properly greet and screen you.

### YOU MUST REGISTER ONLINE FOR IN-PERSON SERVICES

To help us keep track of those interested in attending in-person services, we've created an online registration process you can find on the Incarnation website - thanks to Jeff Bowden!

Using the online registration process is the best way to avoid disappointment and ensure you reserve a seat, and it helps make sure we can accommodate as many people as we're allowed.

When you have a few moments, click the image below – you'll find FAQ's, and a detailed, step-by-step description of how to create an account, and register for a Sunday worship (also known as an event).

PLEASE NOTE: If you registered for this Sunday, September 27 by leaving a message on the office phone or emailing the office, don't worry – you're good to go for this week. But, you must create an account and register online *for all future Sundays*. Take a few moments, with no distractions, and [read through the instructions](#). If you haven't registered for this Sunday, go online and do it now!

Each Sunday's registration will open on the Tuesday prior, and close at 2pm on the Saturday prior.

It's our first week using the new system – please be patient as we work out the kinks

### For the Love of Creation – [sign the petition](#)

A Faith-based Initiative for Climate Justice has the support of a growing list of national churches, Christian international development agencies, and faith-based organizations. We come together as people of faith in the hopes of making a meaningful contribution in the next decade towards a sustainable future for all life on the planet.

For the Love of Creation has launched a [Parliamentary Petition](#) calling on the Government of Canada to:

- commit to reducing Canadian greenhouse gas emissions to 60% below 2005 levels by 2030, and invest in a just transition;
- honour the rights of Indigenous Peoples;
- commit equal support for climate change adaptation and mitigation measures in the Global South; and
- respond to the COVID-19 pandemic in the Global South.

Please sign and encourage your networks to do so as well. Open for signatures until October 6.

### Milk Bag Update – Collection has ended

Thank you to everyone who collected milk bags for Ellengale's mat program. We were able to keep many bags out of landfill sites.

I will no longer be collecting milk bags. However, they can now be recycled in our blue boxes. *Lois Maclauchlan*

### Incarnation Community Gardens

Garden update:

What a year! On Wednesday 30 September, the gardens will, literally, be put to bed!

We have given many pounds of our vegetables to the local Food Banks and they were very happy to receive them.

Many thanks to our hard-working volunteers who braved the heat to tend the plants: Cherry, Mervyn and Patricia, Victoria, Evergreen, Nilgun, Susan, Samer, and our friends at the Halton Environmental Network.

### Supporting our community

The Incarnation community has continually provided generous financial support for the parish and our activities, and we thank you. Even though the building may be closed, the need to support the community is still very much present. As a result, we are asking for your continued financial support to Incarnation.

For those on pre-approved payment (PAP), thank you for your ongoing support. For those of you who give via the collection plate, you can still support us by donating one of the following ways:

E-transfer • online through Canada Helps • PAP • or by mail

You can learn more and choose the best way to support us [by clicking here](#).
