#### **Stewardship Message**

As 2020 draws to a close, it may be we all share sense of deep relief this year will soon be behind us. We look forward to a brighter 2021 with the hope the vaccine brings.

Restrictions meant we couldn't gather and worship in the same way, but that doesn't mean the hard work and ministry performed by our volunteers stopped. We had to pivot, like everyone else and we are deeply appreciative of the ongoing financial support from so many of you that kept our important work going.

As we come to the end of the year, we ask you to consider offering a financial gift to Incarnation so we may make up the slight shortfall we have experienced due to these unforeseen circumstances. Your generosity has been and will continue to be greatly appreciated. There are couple of ways to offer your gifts to Incarnation.....
