### Coffee & Conversation – ON HIATUS – RETURNS IN THE NEW YEAR

Wednesdays at 10am

Check your email for the weekly link.

### Fall Food Drive –

We all know food banks are struggling, even more than usual as we emerge from the pandemic.

Leading up to Christmas, we will be collecting donations of non-perishable food items like soups/stews/chili and tuna, baby formula, along with personal care items like soap, toothpaste and feminine hygiene products.

Items will be donated to [Kerr Street Ministries](#) and [Fare Share food bank](#). Check their website for the most needed items

### Incarnation's Prayer Team Prayer works when we work it!

Our Team consist of a group of intercessors who pray for our Sunday public prayer requests throughout the week.

But did you know that in addition to the Sunday Prayers, we have a Private Prayer List? Some people prefer for their requests to be prayed for privately. The Prayer Team also prays for these requests. Let us know what is your preference.

If you have questions or concerns, please contact me Randy [associate@incarnationchurch.ca](mailto:associate@incarnationchurch.ca)

### Mental Health Resources

As we spend more time indoors and for some alone, please be aware of several mental health supports. One of these may be helpful as we prepare for our Intergenerational Mental Health conversation on Monday, December 6th, at 7 p.m. See you there.

### Learn More About God's Mission

Have you heard the buzz about the [Niagara School for Missional Leadership](#)? The school seeks to train leaders for God's mission - **including you!**

"We hope every person who takes one of these courses is as inspired as we have been to see how it will transform them and the culture of our parishes and diocese," says Bishop Susan Bell.

The school was launched at the start of . If you haven't already, consider [enrolling in one or more of the following courses](#), and invite a friend to join you!

### DIOCESE OF NIAGARA NEWS AND UPDATES

In response to COVID-19, Children, Youth and Family ministry leaders from the Diocese of Niagara created an online one stop hub for families. Not having that village of extended family, parishioners, teachers, peers, and community supports has impacted families in a way that needed immediate assistance.

### Your Will Can Do More!

September marks the launch of Will Power, a national movement to educate Canadians on the power they have to make a difference through their Wills and estate. Leaving a small portion of your estate to your parish, our diocese, or both could result in a bigger contribution than you ever thought possible, while still supporting those you love.

Will Power offers a number of resources to help you plan. For instance, [here's a short and valuable guide to help as you meet with your financial advisor](#). Don't have a financial advisor? No problem, a link to financial advisors both locally and nationally is provided in the guide!

### NEWS FROM GENERAL SYNOD

The Resource Centre is a centralized online hub containing links to resources produced by the Anglican Church of Canada. New resources are uploaded on a regular basis and may be viewed by topic, keyword or audience.
